

Subject: Christmas Pot Luck South River/Sundridge Flying Club

Everyone at Flight 23 is invited to the South River/Sundridge Flying Club annual Christmas Pot luck. This is family event, bring your spouse, kids, girlfriend, boyfriend or just a friend. This year it is being held at the Highland Brewery, real plates and cutlery are supplied, product sampling and a tour are available if we have enough interest. Last year, we had a few of the Canadore students attend the pot luck and the interface between the seasoned and the just starting was fabulous. The date is 15th of December, social hour (hanger flying) starts at 5:00pm, sit down at 6:00 sharp. Pencil this in on your calendar, you don't want to miss this one.
